(*) This inspection was performed using portable video-conferencing devices. Although a remote audit can provide some preliminary indications that the audited client' site complies or not with the requirements of Bureau Veritas' SAFE GUARD standard, it must be supplemented by a physical audit perfomed on site with on-the-spot examination of documents and evidences, only the latter offering reasonable abilities as to the detection of non-conformities and further limiting the risk of errors or frauds.

(**) This statement speaks only to information reviewed on the date(s) of assessment and is subject to continuous and satisfactory implementation of measures meeting the requirements set forth in the Bureau Veritas' SAFE GUARD standard referred to above.

This statement does not constitute a guarantee of the absence of risk linked to bacteria or virus (including Covid-19) within the particular site which was inspected. The delivered inspection report cannot replace any regulatory inspection report from the relevant authorities or its delegates.
